

CURRICULUM VITAE

PETER J. ARONSON, M.D

**Office Addresses:**

WSUPG Dermatology  
1560 E. Maple Rd  
Troy, MI 48083  
Telephone: 248-581-5200

Dermatology 11M-DERM  
John D. Dingell VA Medical Center  
4646 John R Street  
Detroit, MI 48201

<b>EDUCATION</b>	<b>DATES</b>
<i>Graduate: Pritzker, School of Medicine, University of Chicago, Illinois, M.D.</i>	1973-1977
<i>Baccalaurate: St. John's College, Annapolis, Maryland, B.A.</i>	1969-1973
<b>POSTGRADUATE TRAINING</b>	
Division of Dermatology, Michael Reese Hospital and Medical Center, Dermatopathology Fellow	1983-1984
Section of Dermatology, Department of Medicine, Pritzker School of Medicine, University of Chicago, 2nd and 3rd year dermatology resident	1981-1983
Department of Pathology, University of Illinois, Medical Center, 1st year pathology resident, in surgical and autopsy pathology	1980-1981
Department of Dermatology, Northwestern University. 1st year Dermatology resident	1979-1980

Medical College of Toledo, Ohio, flexible Internship (10 months of Internal Medicine, 2 months each of pediatrics, plastic surgery, surgical emergency room and neurology),	1978-1979
<b>FACULTY APPOINTMENTS</b>	
Assistant Professor, Wayne State University, Department of Dermatology	1984-July 27, 2014
Interim Associate Chair, Wayne State University, Department of Dermatology	April 1999-2006
<b>HOSPITAL/PROFESSIONAL APPOINTMENTS</b>	
John D. Dingell VA Medical Center Crittenton Hospital Detroit Receiving Hospital Harper University Hospital Hutzel Hospital William Beaumont Hospital Troy Consulting Staff Children's Hospital of Michigan, Karmanos Cancer Institute Rehabilitation Institute of Michigan Courtesy Staff Oakwood Hospital	

<b>MAJOR PROFESSIONAL SOCIETIES</b>	
American Academy of Dermatology American Contact Dermatitis Society American Society of Dermatopathology Michigan Dermatological Society American Medical Association Oakland County Medical Society Society for Investigative Dermatology	

<b>MEDICAL LICENSURE</b>	License number (if applicable)	Date of Expiration
Michigan	4301-047212	1/31/2015
Illinois	036 060625	7/31/2014
Ohio	35.042986	7/01/2015

<b>BOARD CERTIFICATION</b>		
American Board of Dermatology-Dermatopathology		Sub-certified 1984: No expiration
American Board of Dermatology		Certified 1983: No Expiration

<b>HONORS/AWARDS</b>	
Peter J. Aronson Lectureship Established in honor of Medical Teaching	2013

Resident Teaching Award, Department of Dermatology and Syphilology, Wayne State University, Detroit, Michigan	2007
Resident Teaching Award, Department of Dermatology and Syphilology, Wayne State University, Detroit, Michigan	1994
Resident Teaching Award, Department of Dermatology and Syphilology, Wayne State University, Detroit, Michigan	1991
Resident Teaching Award, Department of Dermatology and Syphilology, Wayne State University, Detroit, Michigan	1985
Resident Teaching Award, Department of Dermatology and Syphilology, Wayne State University, Detroit, Michigan	1984
Chief Resident, Section of Dermatology, Pritzker School of Medicine, University of Chicago, Illinois	1982-1983

**SERVICE:**

<b>Wayne State University</b>	
<b>Departmental</b>	
QA Committee	2013
Wayne State University, Dermatology, Internal Review Committee Member	2011
Wayne State University, Dermatology, Internal Review Committee Chair	1997
<b>University</b>	
Animal Protection Committee, Wayne State University, Detroit, Michigan	1985 - 1987

<b>Affiliate Medical Organizations</b>	
<b>Hospital/Professional Appointments</b>	
Reusable Medical Equipment Committee John D. Dingell VAMC	2011 to present
Invasive Procedures Committee John D. Dingell VAMC	2010-2013
Professional Standards Board John D. Dingell VAMC	2008- to present
Supervisor, Dermatology, VA Medical Center, Detroit,	2008- to present

Acting Specialist in Chief for Dermatology, Detroit Medical Center	2000
Medical Staff Operations Committee Detroit Receiving Hospital	1997-present
Chief, Dermatology, Detroit Receiving Hospital	1994-Present
Vice-Chief, Dermatology, Harper Hospital	1994-2005
Dermatology Advisory Committee Chairman, Detroit Medical Center	1994-1998
Medical Executive Committee, Detroit Receiving	1994-1997
<b>Professional</b>	
<b>National and International Boards and Committees</b>	
Tuberous Sclerosis Alliance (Formerly National Tuberous Sclerosis Association) Board member	1991-1997
American Society of Dermatopathology Membership Committee	1988-1991
Tuberous Sclerosis Alliance (Formerly National Tuberous Sclerosis Association) Medical Advisory Board	1985-1990
<b>State and Local Boards and Committees</b>	
Oakland County Medical Society, Michigan Professional Review Organization Committee	1988-1989
Tuberous Sclerosis Alliance Michigan Chapter Medical Advisor	1987-1993
<b>Consulting</b>	
Facing TSC [Tuberous Sclerosis Complex]. Testimonial and Instructive Video. YouTube Channel for Novartis®	May , 2011, posted 2012
Preparation of Tuberous sclerosis skin lesion diagnosis grid for Vogel-Farina, LLC On behalf of Novartis	2010
<b>Scholarly Service</b>	
<b>Review of Manuscripts</b>	
Reviewer of manuscript for Advances in Medical Sciences	2010
Reviewer of manuscript for American Journal for Clinical Dermatology	2010
Reviewer of manuscripts for 'Dermatitis'	2007-2014
Reviewer of manuscripts for Pediatric Dermatology	1991-1992
<b>Other Service</b>	
Free skin cancer screenings: Crittenton Hospital	1996-present
Free skin cancer screening: Detroit Festival of the Arts	2001-2005
<b>TEACHING</b>	
<b>Wayne State University</b>	
<b>Medical Students</b>	

Third and fourth year medical student elective UHC-7a Clinic	2008-2014
Third and 4 <sup>th</sup> year medical student elective UPG clinic elective	2005-present
Clinical Dermatology, Third and Fourth Year Medical Student Dermatology elective-VA	1984-present
Lectures on Dermatology elective: Fungal and Bacterial Infections of the Skin, Contact Dermatitis and Viral Infections	1989-2008
Third and Fourth Year Medical Student dermatology research elective	1996-2002, 2007, 2013
<b>Resident/Fellows</b>	
Wayne State University Core Curriculum Lecture: Allergic Contact Dermatitis	2008
Physician Assistants on VA elective	2008-present
Wayne State University, Occupational Medicine, Elective Preceptor	1998 - 2011
Wayne State University, Allergy Fellowship Elective Preceptor	1997 – 2012
Internal Medicine Board Review Annual 3 hour lecture	1986 - 1990
Emergency Medicine Residency Annual Lecture	1986-90
Dermatology residency supervisor, teach residents in each clinic staffed by Dr. Aronson	1984-present
Review of Dermatopathology Teaching slides with residents	1984-2004
<b>Teaching at Other Institutions</b>	
Lecture in course taught at the School of Public Health, University of Michigan, Ann Arbor, MI. Biannual lecture on Occupational Skin Disease.	1996-1997
<b>Mentorship</b>	
Faculty: Development for Steven Daveluy, M.D. as faculty and as teledermatologist	2013
<b>Course or Curriculum Development</b>	
Allergy/Immunology Training Program, Wayne State University	1996 - 2008
Fourth Year Medical Student Dermatology elective coordinator, Wayne State University Clinical Dermatology, Fourth Year Medical Student Dermatology elective, Coordinator	1996-2002
<b>Local</b>	
Course Director: 7 <sup>th</sup> to 9 <sup>th</sup> Annual Educational Symposium “Human Trafficking.” Far Eastern and Asian Nurses Association. John D, Dingell VAMC April 30, 2011. WSU SOM CME 4.25 PRA Category 1 Credit hours.	2011-2013
<b>GRANTS, CONTRACTS AND OTHER FUNDING</b>	

<b>Previously Funded Grants and Contracts</b>	
Aronson Peter J: Investigator initiated Study: A single center open-label study to Assess the effects of the addition of modulators of homocysteine to adalimumab in The treatment of moderate to severe plaque psoriasis. Abbott Pharmaceuticals, \$50, 000	2008-2013
Amgen : OBSERVE 5: 5 year safety study of etanercept for moderate to severe plaque Psoriasis. \$25000	1/2006 to 12/2007, 5/2008 to 2013
Fujisawa, P.I., Clinical Trial. A Phase 3, randomized, double-blind study comparing twice daily FK506 cream 0.03% versus cream vehicle in the treatment of atopic dermatitis in pediatric subject \$119,000	3/9/04-12/31/05
Aronson, Peter J., Evaluation of a Nevocyte Melanoma Monoclonal Designed for use in Paraffin-Treated Tissue, Dermatology Foundation, \$5,000	January 1, 1986 December 31, 1986.
<b>CLINICAL TRIAL ACTIVITIES</b>	
Aronson Peter J: Investigator initiated Study: A single center open-label study to Assess the effects of the addition of modulators of homocysteine to adalimumab in The treatment of moderate to severe plaque psoriasis. Abbott Pharmaceuticals, PI	2008-2013
Amgen : OBSERVE 5: 5 year safety study of etanercept for moderate to severe plaque Psoriasis, site PI for multi-center trial	1/2006 to 12/2007, 5/2008 to 2013
Fujisawa, P.I., Clinical Trial. A Phase 3, randomized, double-blind study comparing twice daily FK506 cream 0.03% versus cream vehicle in the treatment of atopic dermatitis in pediatric subject, co-site PI for multi-center trial	3/9/04-12/31/05
A Trial of Actiderm Dermatological Patch and Topical Corticosteroid in the Treatment of Psoriasis Vulgaris	1989-1990
Aronson, Peter J., Vitiligo: Humoral Assays for Assessment of Disease Activity, Veterans Administration Medical Center ,PI	October 1, 1988 - September 30, 1991: June 1, 1989, through May 31, 1992.
Aronson, Peter J., Evaluation of a Nevocyte Melanoma Monoclonal Designed for use in Paraffin-Treated Tissue, Dermatology Foundation, PI	January 1, 1986 December 31, 1986.

## PUBLICATIONS

### Peer-Reviewed Publications

#### Reports of Original Work

1. Hashimoto K, Fujiwara K, Punwaney J\*, DiGregorio F, Bostrom P\*, el-Hoshy K, **Aronson PJ**, Schoenfeld RJ. Post-scabetic nodules: a lymphohistiocytic reaction rich in indeterminate cells. J Dermatol. Mar;27(3):181-94. 2000.  
*I was supervising attending on some of the cases.*
2. Horton SL\*, Hashimoto K, Toi Y, Miner JE\*, Mehregan D, Fligel A, Savoy LB, **Aronson PJ**, Spiny Keratoderma: A Common Under-Reported Dermatoses J Derm. Vol. 25(6): 353-61, June 1998.  
*I was supervising attending on one case. First author was a resident.*
3. **Aronson PJ**, Shettler C, Yakes B, Shek MS\*, O'Donnell DB\*, Topper SF\*, Agha AA\*, Tripp, LC, Weak Patch Test Reactions at 48 Hours Can Provide a Deeper Understanding of a Work-Related Dermatitis: A Study of Epidemic Hand Dermatitis in Industrial Clay Modelers, Amer. J. of Contact Derm. 4: 163-168, 1993  
*I was senior author, responsible for the scientific content of the work. An editorial was written in the journal commenting on this article.*
4. **Aronson, PJ**, Chambers MC\*, Taniguchi Y, Ito K, Griner JM\*, Kagetsu N\*, Hashimoto K, Predominately Indurated Reactions to Sensitizer May Not Cause Keratinocytes to Express HLA-DR, J. Dermatol Science, 2: 33- 44, 1991.  
*I was senior author, responsible for the scientific content of the work.*
5. The Actiderm Multicenter Study Group, A Trial of Actiderm Dermatological Patch and Topical Corticosteroid in the Treatment of Psoriasis Vulgaris Cutis, 46: 84-88, 1990.  
*I was a sub-investigator.*
6. **Aronson PJ**, Ito K, Fukaya T, Hashimoto K, Mehregan AH, Monoclonal Antibody (AFHI) Immunoreactive on Morphologically Abnormal Basal Melanocytes Within Dysplastic Nevi, Nevocellular Nevus Nests and Melanoma, J. Invest Dermatol. 90: (4), 1988.  
*I was senior author, responsible for scientific content of the work.*
7. **Aronson PJ\***, Lorincz AL, Promotion of Palmar Sweating with Oral Phosphatidylcholine Acta. Dermatoverereol (Stockholm), 65: 19 - 25, 1985  
*I was senior author, responsible for scientific content of the work.*

#### Case Reports

1. **Aronson PJ**, Malick F\*. Towards rational treatment of psoriasis in alcoholics. J Drugs Dermatology . April 4(9): 405-8. 2010  
*I was senior author responsible for the scientific content of the work, helping to write and edit the paper. Second author was a resident*
2. Sandler B\*, **Aronson PJ**, Yohimbine-Induced Cutaneous Drug Eruption, Progressive Renal Failure and Lupus-Like Syndrome, Urology 41: 343-45, 1993.  
*I was supervising attending on the case and case writeup was my idea.*
3. **Aronson PJ**, Unmasking Myelin Proteins in Neurothekeoma, J. Amer. Acad. Derm. 26: 255-56, 1992.  
*I was supervising attending on the case and case writeup was my idea.*

4. Blumenthal N\*, **Aronson PJ**, Sood U\*, Ecthyma Gangrenous With Systemic Infection, Arch. Derm. 126: 529-56, 1992.  
*I was supervising attending on the case and case write-up my idea.*
5. Hisler B\*, Daneshvar S\*, **Aronson PJ**, Hashimoto K, Peripheral Edema and Oral Acyclovir, J. Amer. Acad. Derm, 18: 1142-43, 1988.  
*I was supervising attending on the case and case writeup was my idea.*
6. **Aronson PJ\***, Fretzin DF, Morgan NE, A Unique Case of Sarcoidosis With Coexistent Collagen Vascular Disease (Possible Result of Compatible Disease - Sustaining Immunologic Environment.), J. Amer. Acad. Derm, 13: 886-91, 1985.  
*To write this up was my idea.*
7. **Aronson PJ\***, Fretzin DF, Potter BS, Neurothekoma of Gallager and Helwig (Dermal Nerve Sheath Myxoma Variant), Report of a Case With Electron Microscope and Immuno-Histochemical Studies. J. Cutan. Path, 12: 506-19, 1985.  
*Some ideas for immune staining were mine. I wrote up the case.*
8. **Aronson PJ\***, Whitney DH, Soltani K, Medenica MM, Cryosurgical Treatment of Dysplastic Lentigo of the Glans Penis, J. Dermatol. Surg. Oncol. 10/1: 60-62, 1984.  
*Idea for treatment was mine. I wrote up the case.*
9. **Aronson PJ\***, Romain SG, Briele HA, Bardawil WA, Manaligod JR, Adenoid Cystic Carcinoma of Female Periurethral Area, Urology 20: 313-15, 1982.  
*I wrote up the case.*

#### Review Articles

1. **Aronson, PJ**, Systemic Effects of Topical Therapy: Dialogues in Dermatology, December 2004 Issue.  
*The concept was mine. The writing was mine.*
2. **Aronson PJ**, Indurated Hypersensitivity Reactions: Standard Intradermal Skin Tests vs. Dermal Contact Hypersensitivity: Clinical Cases in Dermatology . February 1, 1993.  
*The concept was mine. The writing was mine.*
3. **Aronson PJ**, Tuberos Sclerosis: A Review of Clinical Findings, J. Derm and Allergy 4/4: 47-50, 1981.  
*The concept was mine. The writing was mine.*

#### **Letters to the Editor**

1. **Aronson PJ**, Yeung-Yue KA.\* Treatment of hand dermatitis with Alefacept. Dermatitis; 19: 161-2.2008.

*I was senior author responsible for the scientific content of the work, helping to write and edit the paper. Second author was a resident*

2. **Aronson PJ**, Friedman DB, Pharmacologic Doses of Lovastatin Do Not Predictably Affect the Course of Psoriasis, Arch Dermatol. 128: 124. 1992

*I was senior author responsible for the scientific content of the work, helping to write and edit the paper. Second author was a resident.*

## Book Chapter

1. **Aronson PJ.** Systemic adverse effects due to topical medications. in Comprehensive Dermatologic Drug Therapy. Second Edition, (Wolverton SE edpp. 803-812. .) (Saunders Elsevier, China 2007)  
*I authored the chapter based on my presentation at the American Academy of Dermatology Meeting the year before.*

## Published Abstracts.

1. **Aronson P.** Folic Acid Paradox: Retrospective Record Review of Psoriatics and related skin diseases on 1-6 mg folic acid, vitamin B6 and vitamin B12. Clinical Chemistry and Laboratory Medicine; 50(2): A27, 2012. Folic Acid Paradox: Retrospective Record Review of Psoriatics and related skin diseases on 1-6 mg folic acid, vitamin B6 and vitamin B12. Clinical Chemistry and Laboratory Medicine; 50(2): A27, 2012. *The concept was mine. The writing was mine.*
2. Herman S\*, **Aronson P**, Young C. Effect of folic acid ingestion on homocysteine comorbidities in U.S. Veterans. Clinical Chemistry and Laboratory Medicine; 50 (2): A42, 2012. *The concept was mine. The writing was by the student now a resident.*
3. **Aronson PJ**, Sikha MVKN, Tenascin Expression in Vitiligo, J. Invest. Derm, 102: 574, 1994. *The writing was mine.*
4. **Aronson PJ**, Tapal MF, Sandler B\*, Hashimoto K, Dermal Dendrocyte Phagocytosis is Reduced in Vitiligo Patients, J. Invest. Derm., 100: 568, 1993. *The concept was mine.*
5. **Aronson PJ**, Sikha MVKN, IgA Can Displace IgG Anti-Pigment Cell Antibodies From Cell Membrane Antigens in Re-pigmenting Vitiligo, J. Invest. Derm., 98: 629, 1992. *The concept was mine.*
6. Patel J, **Aronson PJ**, Sikha MVKN, Sandler B\*, Agha AA\*, The Patterns of Vogt-Harada-Koyagani Syndrome Pigment Cell Antibodies Corresponds to that Found in Vitiligo Patient Sera J. Invest. Derm, 98: 629, 1992. . *I was supervising investigator and performed some of the laboratory testing.*
7. O'Donnell DB\*, Sandler B\*, **Aronson PJ**, Sikha MVKN, Tenascin is Abundant in the Skin of Vitiligo Patients, J. Invest. Derm. 98: 620, 1992. *I was supervising attending and principal investigator and performed most of the laboratory testing.*
8. **Aronson PJ**, Shettler C, Shek\* MS, O'Donnell DB\*, Topper SF\*, Agha AA\*, Tripp LC, Epidemic Contact Dermatitis to Colophony in Industrial Clay Modelers, Am. J. Contact Derm., 3: 1992. *I was supervising attending and principal investigator*
9. **Aronson PJ**, O'Donnell DB, Hashimoto K, Factor XIIIa Positive Dermal Dendrocytes Appear Abnormal in Vitiligo Patient Skins, J. Cutan. Path. 17(5): 285, 1990. *I was principal investigator.*

10. **Aronson PJ**, O'Donnell DB\*, Ishihara M, Whitcomb MP, Benner M, Sikha, MVKN, Serum Vitiligo Anti-Pigment Cell Antibodies of Different Classes Appear to Have Different Functions. Clin. Res. 38(3): 836A, 1990. *I was principal investigator.*
11. O'Donnell DB\*, **Aronson PJ**, Hashimoto K, Normal Factors XIIIa Positive Dendrocytes Appear Greatly Reduced in Number in Pigmented Stain of Vitiligo Patients, Clin. Res. 38. (3): 835A, 1990. *I was attending on case and performed the laboratory testing.*
12. Fligiell A\*, **Aronson PJ**, Kitajima J, Payne RR, Dermatitis-Herpetiformis-Bullous Lupus Erythematosus Overlap Syndrome of 27 Year Pre-and Post-Dating Discoid Lupus and Septal Panniculitis. J. Cutan. Path. 15: 307, 1988. *I was the attending physician on this case.*
13. **Aronson PJ**, Chambers MC\*, Taniguchi Y, Kato I, Kagetsu, NJ\*, Hashimoto K, Immunopathology of Localized vs. Typical Dermal Contact Hypersensitivity, J. Cutan. Path. 15: 295, 1988. *I was the principal investigator.*
14. **Aronson PJ**, Hashimoto K, Association of IgA Anti-Melanoma Antibodies in the Sera of Vitiligo Patients with Active Disease, J. Invest. Derm. 88: 475, 1987. *I was the principal investigator.*
15. Benedetto L\*, **Aronson PJ**, Hashimoto K, Sodium Butyrate Stimulated Melanoma Redifferentiation Decreases Mitotic Rate as Confirmed by Immunohistochemical Methods, Clin. Res. 34: 989A, 1986. *I was the supervising investigator.*
16. **Aronson PJ**, Association of IgA Antimelanoma Antibodies in Sera of Vitiligo Patients With Progression of Active Disease. Clin. Res. 34: 989A, 1986. *I was the principal investigator.*
17. **Aronson PJ**, Ito K, Benedetto L\*, Fukaya T, Hashimoto K, Monoclonal Melanoma Antibodies for Formalin-Fixed (FF) and Paraffin-Embedded (PE) Tissues, J. Invest. Derm. 86: 461-, 1986. *I was the principal investigator.*
18. **Aronson PJ**, Hashimoto K, Fukaya T, Electron and Immunoperoxidase Light Microscopy of Stellate and Giant Cells in Tuberous Sclerosis Angiofibromas. Arch. Derm, 120/12: 1608, 1984. *The coincept was mine.*
19. **Aronson PJ\***, Lorincz AL, Soltani K, Promotion of Palmar Sweating by Oral Lecithin Clin. Res. 31/2: 261A, 1983. *I was the principal investigator.*

## PRESENTATIONS

### Podium Presentations (refereed)

1. **Aronson P.** (Platform and Poster) Folic Acid Paradox: Retrospective Record Review of Psoriatics and related skin diseases on 1-6 mg folic acid, vitamin B6 and vitamin B12. *Advances and Controversies in B-Vitamins and Choline.* • Leipzig, Germany, March 05-08, 2012. *I was principal investigator*
2. **Aronson, PJ,** Systemic Effects of Topical Therapy, Focus session, American Academy of Dermatology Annual Meeting, Feb. 2004 San Francisco, CA, Feb. 2004 and New Orleans, LA, Feb. 2005. *I researched the topic myself.*
3. Stutz J\*, **Aronson PJ;** Vegetative Herpes Simplex, Presented at Gross & Microscopic Dermatology Symposium, American Academy of Dermatology, Annual Mtg, , New Orleans, LA. March 20, 1999. *I was supervising clinical attending.*
4. Mizuguchi R\*, **Aronson PJ,** Moiin A, Hashimoto K; Leishimaniasis Diagnosed on Electron Microscopy, Presented at Gross & Microscopic Dermatology Symposium, American Academy of Dermatology Annual Meeting, , New Orleans, LA. March 20, 1999 *I was supervising clinical attending.*
5. Fedoronko L, **Aronson PJ,** Hashimoto K, Confluent and Reticulated Papillomatosis of Gougeraud-Carteaud, Gross and Microscopic Symposium, American Academy of Dermatology Annual Meeting, San Francisco, California, March 21, 1997. *I was supervising clinical attending.*
6. **Aronson PJ,** Shettler C, Shek MC\*, O'Donnell DB\*, Topper SF\*, Agha AA\*, Tripp LC, Epidemic Contact Dermatitis in Industrial Clay Modelers, Annual Meeting of American Society of Contact Dermatitis, Dallas, Texas, December 6, 1991. *I was supervising clinical attending.*
7. **Aronson PJ,** O'Donnell DB\*, Ishihara M, Whitcomb MP, Brenner M, Sikha MVKN, Vitiligo Anti-Pigment Cell Antibodies of Different Classes Appear to Have Different Functions, Platform Presentation at Midwestern Regional Society for Investigative Dermatology Meeting, Chicago, Illinois, November 1, 1990. *I was principal investigator.*
8. O'Donnell DB\*, **Aronson PJ,** Hashimoto K, Normal Factor XIIIa Positive Dermal Dendrocytes Appear Greatly Reduced in Number in Pigmented Skin of Vitiligo Patients, Platform Presentation at Midwestern Regional Meeting Society of Investigative Dermatology, Chicago, Illinois, November 1, 1990. *I was supervising clinical attending.*
9. **Aronson PJ,** Dermal Contact Hypersensitivity: New Insights Into a Half Forgotten Disease. Focus Session, American Academy of Dermatology Annual Meeting, San Francisco, California, December 5, 1989. *I was clinician who studied the case and reviewed supportive literature and wrot this up.*

10. **Aronson PJ**, Presentation of Self-Assessment Session, American Society of Dermatopathology Annual Meeting, San Francisco, California, December 2, 1989. *I was invited to speak.*
11. **Aronson PJ**, Chambers MC\*, Taniguchi Y, Ito K, Kagetsu N\*, The Immunopathology of Localized vs. Typical Dermal Contact Hypersensitivity, American Society of Dermatopathology Annual Meeting, Washington, D.C., December 1,2, 1988. *I was principal investigator.*
12. Fligiel A\*, **Aronson PJ**, Kitajima J, Payne RRJ, Platform Presentation, Dermatitis Herpetiform Lupus Overlap Syndrome of 27 Years Pre- and Post-Dating Discoid Lupus and Panniculitis. American Society of Dermatopathology Annual Meeting, Washington, D.C., December 1, 1988. *I was supervising clinical attending.*
13. Chambers M\*, **Aronson PJ**, Localized Dermal Contact Dermatitis to Nickel, Platform Presentation at the American Academy of Dermatology, Annual Meeting, San Antonio, Texas, December 6, 1987. *I was supervising clinical attending.*
14. Sussman K\*, **Aronson PJ**, Vitiligo Treated With Cryosurgery and Topical 5% Fluorouracil, American Academy of Dermatology Annual Meeting, San Antonio, Texas, December 6, 1987. *I was supervising clinical attending.*
15. Hisler B\*, **Aronson PJ**, Rudner EJ, Hashimoto K, Bullous Pemphigoid and Psoriasis, Platform Presentation, American Academy of Dermatology, Annual Meeting, San Antonio, Texas, December 5, 1987. *I was supervising clinical attending.*
16. Blumenthal N\*, **Aronson PJ**, Sood U\*, Ecthyma Gangrenosum With Systemic Infection. Platform Presentation at the American Academy of Dermatology Annual Meeting, San Antonio, Texas, December 5, 1987. *I was supervising clinical attending*
17. **Aronson PJ**, Hashimoto K, Association of IgA Antimelanoma Antibodies in the Sera of Vitiligo Patients With Active Diseases, American Society for Investigative Dermatology Annual Meeting, Washington, D.C., May 5, 1987. *I was principal investigator.*
18. **Aronson PJ**, Robertson CS\*, Response to Pemphigus Vegetans to Topical Heparin Sulfate, Platform Presentation at Gross and Microscopic Symposium. American Academy of Dermatology, Annual Meeting, Las Vegas, Nevada, December 7, 1985. *I was chief clinician on the case.*
19. **Aronson PJ\***, Fretzin DF, A Unique Case of Coexistent Sarcoidosis and Collagen Vascular Disease, Presented at Gross and Microscopic Symposium, American Academy of Dermatology Meeting, Washington, D.C., December, 1984. *I wrote up the case.*

20. **Aronson PJ\***, Whitney DH\*, Soltani K, Mednica NM, Cryosurgical Treatment of Dysplastic Lentigo of Glans Penis, Platform Presentation, American College of Cryosurgery Annual Meeting, June, 1984. *It was my idea though cleared by attending physicians and I wrote up the presentation.*
21. **Aronson PJ**, Hashimoto K, Fukaya T, Electron and Immunoperoxidase Light Microscopy of Stellate and Giant Cells in Tuberous Sclerosis Angiofibromas Poster Session, Dermatopathology of America Meeting, Washington, D.C., May, 1984. *I was chief investigator.*
22. **Aronson PJ\***, Lorincz AL, Promotion of Palmar Sweating by Oral Lecithin, Platform Presentation, Natl. Clin. Derm. Conference, 1983. *I was principal investigator.*
23. **Aronson PJ\***, Whitney DH, Soltani K, Lentigo Maligna of the Glans Penis, Natl. Clin. Derm. Conference, 1982.. *It was my idea though cleared by attending physicians and I wrote up the presentation.*

#### **Poster Presentations (refereed)**

1. Herman S\*, **Aronson P**, Young C. (poster) Effect of folic acid ingestion on homocysteine comorbidities in U.S. Veterans. Advances and Controversies in B-Vitamins and Choline. Leipzig, Germany, 05 - 08 March, 2012.(Co-investigator)
2. **Aronson PJ**, Sikha MVKN, Tenascin and Vitiligo, Poster Presentation at Annual Meeting of the Society for Investigative Dermatology, Baltimore, MD, April 27, 1994. *I was principal investigator*
3. **Aronson PJ**, Sikha MVKN, , MD O'Donnell DB, Sandler B, Aronson PJ, Sikha MVKN, Tenascin is Abundant in the Skin of the Vitiligo Patient , Poster Presentation at Annual Meeting of the Society for Investigative Dermatology, Baltimore, Poster Presentation at Annual Meeting of the Society for Investigative Dermatology, Baltimore, MD, May 1-2, 1992. *I was supervising clinical attending and performed laboratory testing.*
4. Patel R, **Aronson PJ**, Sikha MVKN, Sandler B\*, Agha AA\*, The Pattern of Vogt-Harada-Syndrome Pigment Cell Antibodies Corresponds to that Found in Vitiligo Patients' Sera, Poster Presentation at Annual Meeting of the Society for Investigative Dermatology, Baltimore, MD, May 2, 1992. *was supervising clinical attending and performed some laboratory testing.*
5. **Aronson PJ**, O'Donnell DB\*, Hashimoto K, Factor XIIIa Positive Dermal Dendrocytes Appear Abnormal in Vitiligo Patient Skin, Poster Presentation at Annual Meeting of American Society of Dermatopathology, Atlanta, Georgia, November 29, 30, 1990. *I was principal investigator.*

6. **Aronson PJ**, Griner JM\*, Kagetsu N\*, Taniguchi Y, Hashimoto K, Expression of HLA-DR Antigen in Epidermal Keratinocyte May Be Useful Markers for Discriminating Between Cutaneous Reactions Caused by Sensitization Involving Epithelia and Cutaneous Reactions Caused by Sensitization of the Dermis on Skin Appendages. Poster Presentation, American Society of Dermatopathology Annual Meeting, San Francisco, California, November 30, December 1, 1989. *I was principal investigator.*
7. **Aronson PJ**, Ito K, Benedetto K\*, Fukaya T. Monoclonal Melanoma Antibodies for Formalin-Fixed and Paraffin -Embedded Tissue. Poster Session, American Society for Investigative Dermatology Meeting, Washington, D.C., May 1,2, 1986. *I was principal investigator.*
8. **Aronson PJ**, Ito K, Fukaya T, Hashimoto K, Mehregan AH, Monoclonal Melanoma Antibodies From Formalin Paraffin Treated Antigen, Poster Session, American Academy of Dermatology, Las Vegas, Nevada, December 5, 6, 1985. *I was principal investigator.*

#### **Accepted , Not yet presented Poster Presentation**

1. **Peter J. Aronson**, Jennifer Swearingen, Farah Malick\*, David Mehregan, Jinmeng Zhang\*, Darius Mehregan. Folic Acid Paradoxes: 1-2 mg folic acid plus B6 and B12 worsens psoriasis and 5-7 mg daily folic acid plus B6 and B12 alone may improve psoriasis but adding 5 mg acid plus B6 and B12 to adalimumab cannot in general be recommended. Annual Meeting of the American Academy of Dermatology, Denver, CO March 21-24, 2014. *I am principal investigator.*

#### **Other Presentation**

1. **Aronson P.** Facing TSC [Tuberous Sclerosis Complex]. Testimonial and Instructive Video. YouTube Channel for Novartis® May , 2011, posted 2012.

#### **Invited Lectures/Presentations**

##### **International/ National**

1. **Aronson PJ**, Speech Presenting the First Manuel Gomez Award to Vickie Holletts Whittemore, Ph.D., at Meeting of National Tuberous Sclerosis Association, Boston, MA, July, 1999.
2. **Aronson PJ**, The Cutaneous Manifestations of Tuberous Sclerosis, Platform Presentation Quarterly Board Meeting, National Sclerosis Association, Alexandria, VA, October 2, 1991.

## Local/Regional

1. **Aronson PJ**, Experiences with Epidermic Contact Dermal and Dermal Contact Hypersensitivity, Michigan Dermatological Society, Grosse Pointe War Memorial, May 3, 2000.
2. **Aronson PJ**, Contact Dermatitis: Diagnosis, Occupational Skin Diseases. Michigan State Medical Society Annual Scientific Meeting, Dearborn, Michigan, November 9, 1992.
3. **Aronson PJ**, Occupational Dermatitis. Meeting at the Detroit, Occupational Physician's Association. Wayne County Medical Society, Detroit, Michigan, May 12, 1992.
4. **Aronson PJ**, Dermal Contact Hypersensitivity, Lecture at the Dermatology Alumni Meeting, Northwestern University, Chicago, Illinois, September 9, 1988.
5. **Aronson PJ**, IgA Antimelanoma Antibodies and Vitiligo, Lecture at Michigan State Medical Society Meeting, Dearborn, Michigan, November 11, 1987.
6. **Aronson PJ**, Skin Lesions Mimicking Tuberous Sclerosis, Presented at Meeting of Tuberous Sclerosis Association, Michigan Chapter, Farmington Hills, Michigan, January 31, 1987.
7. **Aronson PJ**, Aging of the Skin, Presented at Meeting of the Wayne Chapter, Michigan Society of Medical Assistants, Wayne State University, Health Center, Detroit, Michigan, January 30, 1987.
8. **Aronson PJ**, The Use of Monoclonal and Polyclonal Antibodies in Dermatology. Lecture at Ohio State Dermatological Association Meeting, Quail Hollow Inn, Plainville, Ohio, September 22, 1985.
9. **Aronson PJ\***, Dermatologic Aspects of Tuberous Sclerosis. Conference sponsored by the National Tuberous Sclerosis Association at Christ Hospital, Oak Lawn, Illinois, May, 1984.

## Invited Seminars/Grand Rounds

1. Fontichiaro K, Borovicka J\*, **Aronson P**. A woman with a 'Bumpy' scalp (Cutis verticis gyrata). Michigan Dermatological Society Syllabus Case 20. November 2013. *Supervising attending and text reviewer*
2. Zhang J, **Aronson P**. A man with plaques on his hands, elbows feet and thighs[Poster]. (Allergic contact dermatitis.) Michigan Dermatological Society Syllabus Case 38. November 2013. *Supervising attending and text reviewer*

3. Van Vreede A\*, **Aronson P.** A man with recurrent blisters on the hands (porphyria cutanea tarda). Michigan Dermatological Society Syllabus Case 29. November 2013. *Supervising attending and text reviewer*
4. Aronson PJ , Independent Medical Evaluations. , WSU Dermatology Dept. Grand Rounds, Detroit, MI, July 31,2013.
5. Uhlenhake E\*, **Aronson P.** A man with nodules on elbows, ears and hands (Tuboeruptive xanthomas). ). Michigan Dermatological Society Syllabus Case 3. November 2012. *Supervising attending and text reviewer*
6. Caretti K,\* , **Aronson P.** A woman with thickened palms and soles. (morbid tumorous punctate palmoplantar keratoderma). ). Michigan Dermatological Society Syllabus Case 22. November 2012. *Supervising attending and text reviewer*
7. Newsom EC \* , **Aronson P.** A man with short spikey hairs on the upper back. (Trichostasis spinulosa) ). Michigan Dermatological Society Syllabus Case 19. November 2012. *Supervising attending and text reviewer*
8. Workman B\* , **Aronson P.** Twin brothers with widespread scaly papules an annular macules and patches (Disseminated superficial actinic prokeratosis). Michigan Dermatological Society Syllabus Case 2. November 2012. *Supervising attending and text reviewer*
9. **Aronson PJ**, Intralesional Injections . WSU Derm Dept. Grand Rounds, Detroit, MI. Feb. 22, 2012.
10. Pellicane B\*, Moiin A, **Aronson P**, Mehregan Darius.A Man with Acne, Arthritis, and Digital Clubbing.(Pachydermoperiostosis). Michigan Dermatological Society Syllabus Case 8. November 2011. *I was a past Supervising attending*
11. Price M\* , **Aronson P**, Mehregan Darius. A Middle-Aged Man with Numerous bumps on the Skin.(Cowden Syndrome). Michigan Dermatological Society Syllabus Case 9. November 2011. *Supervising attending and text reviewer*
12. Fakhouri T\* , J. Kado J\* , **P. Aronson.** A Man with Rough, Malodorous Skin.Darier's Disease. Michigan Dermatological Society Syllabus Case 27. November 2011. *Supervising attending and text reviewer*
13. Pellicane B\* , **Aronson P** , Mehregan Darius. A Vietnam Veteran with Multiple Melanomas.(Multiple melanomas Possibly Due to Agent Orange Exposure). . Michigan Dermatological Society Syllabus Case 28. November 2011. *Supervising attending and text reviewer*

14. Daveluy S\*, **Aronson P**, Mehregan David. A Man with Ulcerations and Weight Loss. Primary systemic Amyloidosis Presenting with Ulcerations. Michigan Dermatological Society Syllabus Case 36. November 2011. *Supervising attending and text reviewer*
15. **Aronson PJ**. An Overview of Pediatric Dermatology. Crittenton Hospital Pediatrics Dept. Grand Rounds, Rochester, MI February 1, 2011.
16. **Aronson PJ. Tuberous Sclerosis**. WSU Dermatology Dept. Teaching Seminar January 4, 2011
17. **Aronson PJ**. Systemic Reactions to Topical Therapy. WSU Dermatology Grand Rounds. September 24, 2010.
18. **Aronson PJ** Homocysteine and Psoriasis WSU Dermatology Grand Round Lecture, January 2010.
19. Nasser FA\*, **Aronson P**. A child with Multiple Brown Papules (Urticaria Pigmentosa). Michigan Dermatological Society Syllabus Case 6. November 2005 (supervising clinical attending)
20. Yeung-Yue KA\*, **Aronson PJ**. A Woman with erythematous Nodules (Lupus Profundus) Michigan Dermatological Society Syllabus Case 7. November 2005 (supervising clinical attending)
21. Hsieh GCF\*, **Aronson P**. A Boy with Dry, Scaly Skin since Birth (X-Linked Ichthyosis) Dermatological Society Syllabus Case 8. November 2005 (supervising clinical attending)
22. Yeung-Yue KA\*, **Aronson PJ**. A Man with Thickened Skin (Scleredema Associated with acanthosis nigricans) Michigan Dermatological Society Syllabus Case 10. November 2005 (supervising clinical attending)
23. Yeung-Yue KA\*, **Aronson PJ**. A Man with Red Scaly Palms ((allergic contact Dermatitis improved with alefacept) Michigan Dermatological Society Syllabus Case 11. November 2005 (supervising clinical attending)
24. Jaber R\*, **Aronson PJ**. A woman with painful mucosal and cutaneous erosions Pemphigus vulgaris) Michigan Dermatological Society Syllabus Case 12. November 2005 (supervising clinical attending)
25. Jaber R\*, **Aronson P**. A woman with erythematous plaques and annular vesicles and bullae (linear IgA bullous dermatosis) Michigan Dermatological Society Syllabus Case 13. November 2005 (supervising clinical attending)
26. Jaber R\*, **Aronson P**. A woman with hyperpigmented patches and soft skin colored nodules (Neurofibromatosis Type 1) Michigan Dermatological Society Syllabus Case 15. November 2005 (supervising clinical attending)

27. Hundley J\*, **Aronson P**. A man with progressive hardening of the skin (scleroderma). Michigan Dermatological Society Syllabus Case 19. November 2005 (supervising clinical attending)
28. Nasser FA\*, Aronson P. A woman with superficial ulcers on the trunk and extremities(superficial pyoderma gangrenosum). Michigan Dermatological Society Syllabus Case 22. November 2005 (supervising clinical attending)
29. Hundley J\*, **Aronson P**. A man with generalized pruritic lesions (Generalized granuloma annulare ). Michigan Dermatological Society Syllabus Case 24. November 2005 (supervising clinical attending)
30. Chen ZS\*, Moiin A, **Aronson PJ**, Pegouske D, Savoy LB, Hashimoto K, Bullous Lupus Erythematosus, Michigan Dermatological Society Syllabus, 77-79, October, 1999. (supervising clinical attending)
31. Dowlati B\*, **Aronson PJ**, Hashimoto K, Confluent and Reticulated Papillomatosis (Gougerot-Carteaud Disease), Michigan Dermatological Society Syllabus, 75-76, October, 1999. (supervising clinical attending)
32. Dowlati B, **Aronson PJ**, Hashimoto K; Linear Lichen Planus; Michigan Dermatological Society Syllabus, 71-71, October, 1999. (supervising clinical attending)
33. Misra I\*, **Aronson PJ**, Hashimoto K; Persistent and Refractory Hand Eczema Treated with a Leukotriene Inhibitor, Michigan Dermatological Society Syllabus, 56-59, October,1999. (supervising clinical attending)
34. Xue W\*, **Aronson PJ**, Hashimoto K; Darier's Disease (Keratosis Follicularis), Michigan Dermatological Society Syllabus, 47-49, October, 1999. (supervising clinical attending)
35. Chen ZS\*, Moiin A, **Aronson PJ**, Pegouske D, Savoy LB, Hashimoto K, Bullous Lupus Erythematosus, Michigan Dermatological Society Syllabus, 77-79, October, 1999. (supervising clinical attending)
36. Chen ZS\*, **Aronson PJ**, Savoy LB, Hamzavi I, Hashimoto K; Nevus of Oti, Michigan Dermatological Society Syllabus, 40-41, October, 1999. (supervising clinical attending)
37. Wei Z\*, **Aronson PJ**, Hashimoto K; Piebaldism, Michigan Dermatological Society Syllabus, 27-28, October, 1999. (supervising clinical attending)
38. Sable D\*, **Aronson PJ**, Hashimoto K; Extramedullary Plasmacytoma, Michigan Dermatological Society Syllabus, 27-28, October 6, 1999. (supervising clinical attending)

39. Gee S\*, **Aronson PJ**, Hashimoto K; Generalized Eruptive Vellus Hair Cysts, Michigan Dermatological Society Syllabus, 4-6, October 6, 1999. (supervising clinical attending)
40. **Aronson PJ**, Clinical Lesions in Dermatology, Wayne State University, Department of Emergency Medicine, Weekly Lectures Series, Detroit, Michigan, November 8, 1994 and May 21, 1998.
41. **Aronson PJ**, Tuberos Sclerosis Update, Grand Rounds, Department of Dermatology, Wayne State University, Detroit, Michigan, February 26, 1997.
42. **Aronson PJ**, Histopathology of the Skin. Wayne State University, Department of Otolaryngology. Weekly Lecture Series, Detroit, Michigan, November 5, 1994.
43. **Aronson PJ**, Cutaneous Manifestations of HIV/AIDS, AIDS Mini-Symposium, Bon Secours Hospital, Grosse Pointe, Michigan, February 25, 1992.
44. **Aronson PJ**, Topics Related to Vitiligo and Contact Dermatitis. Dept. of Dermatology, Grand Rounds, Wayne State University, Detroit, Michigan, February 5, 1992.
45. **Aronson PJ**, Contact Dermatitis Presentation Weekly Meeting, Occupational Medicine Section, Department, Family Practice, Wayne State University, Detroit, Michigan, January 28, 1992.
46. **Aronson PJ**, Extracorporeal Photophoresis. Presentation at Michigan Dermatological Society Meeting, Wayne State University, Detroit, Michigan, November 1, 1989.
47. **Aronson PJ**, Acceleration of Re-pigmentation of Vitiligo by Cryosurgery and Topical -5 Fluorouracil, Poster Presentation at the Michigan Dermatological Society Meeting, Wayne State University, Detroit, Michigan, November 6, 1987.
48. **Aronson PJ**, The Skin Biopsy for Immunofluorescence, Department of Medicine, Grand Rounds, Wayne State University, Hutzel Hospital, Detroit, Michigan, May 30, 1985.
49. **Aronson PJ**, The Clinical Significance of White Spots, Department of Medicine, Grand Rounds, Wayne State University, Harper-Grace Hospital, Detroit, Michigan, August 1, 1984.

#### Invited Poster Sessions

1. Aronson PJ Association of IgA Antimelanoma Antibodies in Sera of Vitiligo Patients with Progression of Active Disease, Poster Session, Veterans Administration Regional Research Conference, VA Medical Center, Dayton, Ohio, May 15, 1986.
